*N/A - Bank of America does not sell or share personal or sensitive personal information and limits their use to that which is necessary to perform the services or provide the goods reasonably expected by an average consumer.

Average number of days to respond: Bank of America responded to requests within an average of 9.5 days from the date the request was received. Bank of America responds to all requests including any denied requests. CCPA requests were denied only in cases in which the consumer's identity could not be verified, the request was not made by a consumer, or where the personal information requested was exempt from the right to Know, Delete or Correct under CCPA. The metrics above reflect requests from California residents only.
